Tips and Tricks

Half square triangles are a building block of many quilts. The arrangement of these blocks differ and make them unique. Included below is an illustration of an arrangement of half square triangles

Piece Your Table Runner

- 1 Mark a line along the diagonal on the wrong side of the background fabric squares

- 2 Place one square of background fabric on top of a other with right sides together.

- 3 Sew 1/4" from either side of the diagonal line.

- 4 Trim along the marked line to create 2 half square triangles.

- 5 Press open and trim off excess fabric.

- 6 Repeat until all blocks are complete.

Make 36

- 7 Arrange the blocks as desired.

- 8 Join the pieces together until you have a completed table runner top.

- 9 Make a quilt sandwich.

- 10 Quilt as desired.

- 11 Bind.
