## Piecing

- 1 To make a half square triangle, place one square on top of the other with right sides together. Sew along the diagonal and trim ¼" away from the seam. Then press open.

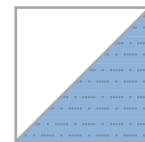

- 2 Use the directions in step 1 to make 5 half square triangles from Unit A and Unit B

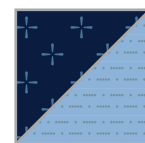

Make 5

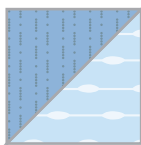

- 3 Use the directions in step 1 to make 1 half square triangle from Unit A and Unit C

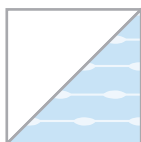

- 4 Use the directions in step 1 to make 1 half square triangle from Unit B and Unit C

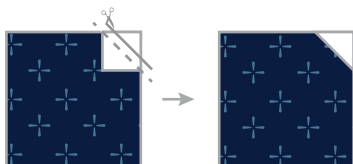

**5** Use the directions in step 1 to make 1 half square triangle from Unit C and Unit D

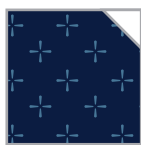

**6** Use the directions in step 1 to make 1 half square triangle from Unit A and Unit D

**7** To stitch-and-flip, place a small square in the corner of a larger rectangle, right sides together. Stitch along the diagonal of the small square, cut off the excess, then press open

**8** Use the instructions in step 6 to stitch-and-flip in any corner with Unit B and Unit E

**9** Use the instructions in step 6 to stitch-and-flip in any corner with Unit C and Unit E

**10** Use the instructions in step 6 to stitch-and-flip in any corner with Unit B and Unit F

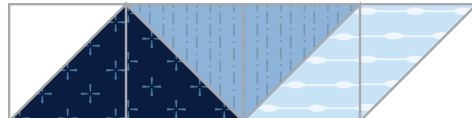

**11** Join Unit A, 2 pieces made in step 2, and the piece made in step 8

**12** Join the piece from step 3, Unit C, and the pieces made in steps 9 and 10

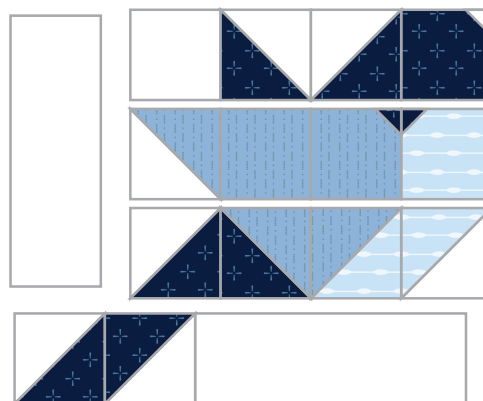

**13** Join the pieces from steps 2, 4, 5, and 6

**14** Join 2 pieces from step 2 and Unit G

**15** Join the piece from steps 11-13, then add Unit G, then add the piece from step 14

**16** Use the directions in step 1 to make 5 half square triangles from Unit A and Unit H

Make 5

**17** Use the directions in step 1 to make 1 half square triangle from Unit A and Unit J

**18** Use the directions in step 1 to make 1 half square triangle from Unit I and Unit J

**19** Use the directions in step 1 to make 1 half square triangle from Unit H and Unit J

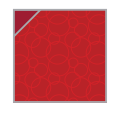

**20** Use the instructions in step 6 to stitch-and-flip in any corner with Unit H and Unit E

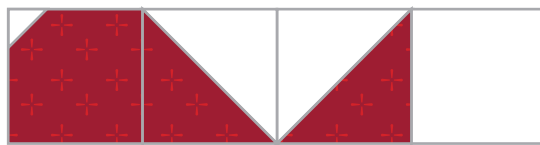

**21** Use the instructions in step 6 to stitch-and-flip in any corner with Unit J and Unit L

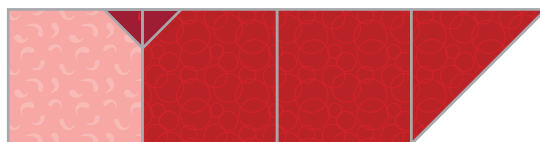

**22** Use the instructions in step 6 to stitch-and-flip in any corner with Unit I and Unit L

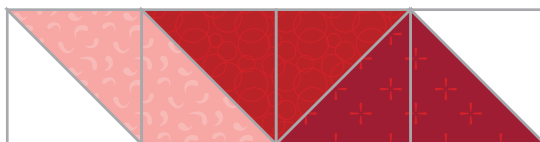

**23** Join the piece made in step 20, 2 pieces made in step 16, and Unit A

**24** Join the pieces made in steps 21 and 22, Unit I and a piece made in step 16

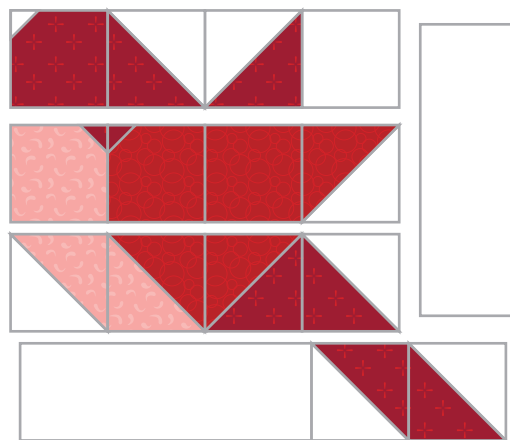

**25** Join pieces made in steps 17, 18, 19 and 16.

**26** Join Unit G and 2 of the pieces made in step 16

**27** Join the pieces made in steps 23-25. Then add Unit G. Then add the piece from step 26

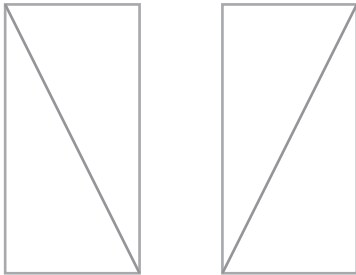

**28** Use the instructions in step 6 to stitch-and-flip Unit E in the top-left and top-right corners of both of Unit M. Then stitch-and-flip Unit N in the bottom-left corner of one piece and bottom-right corner of the other

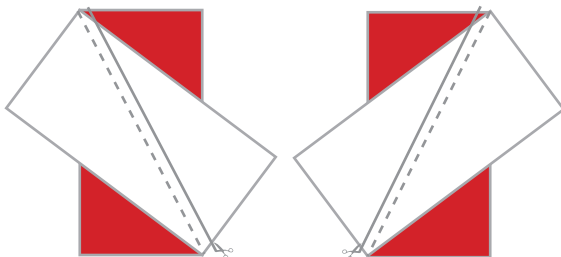

**29** Use the instructions in step 6 to stitch-and-flip Unit N in the top-left corner of one Unit O and top-right in the other Unit O

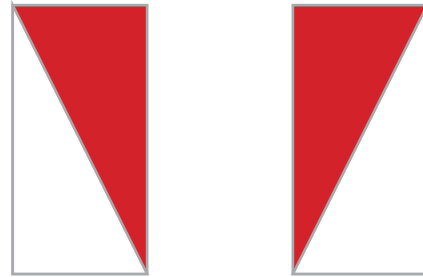

**30** Mark with both of Unit P along opposite diagonals

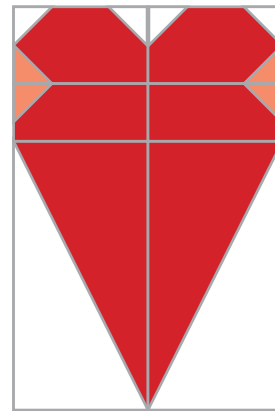

**31** Align the markings from the previous step to opposite corners of Unit Q. Stitch along the markings and cut 1/4" away from the seam

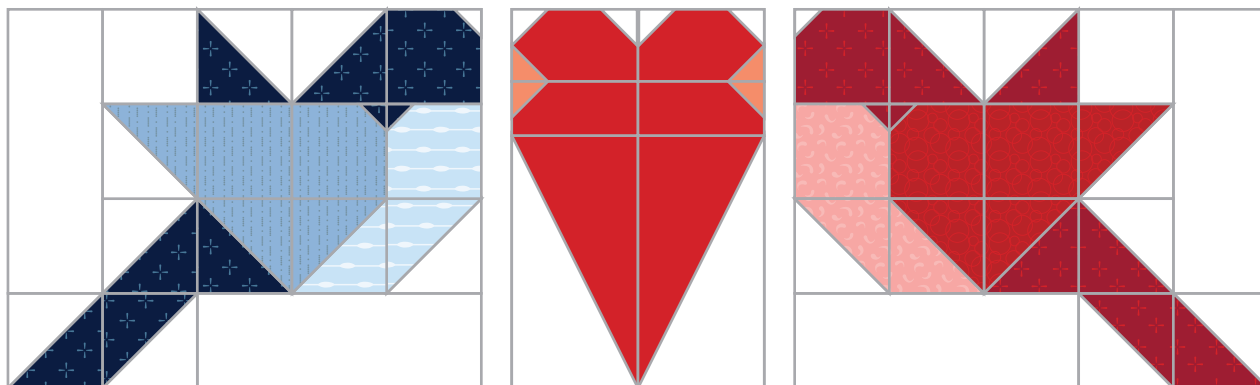

**32** Press the pieces from the previous step open

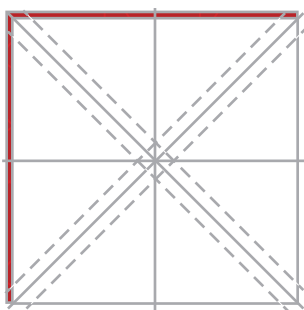

**33** Join the pieces made in steps 28, 29 and 32

**34** Join the pieces made in steps 15, 27 and 33. Then add Unit S to the top and bottom

**35** Use the 8-at-a-time half-square triangle method, by placing Unit T and Unit U right sides together. Then mark the diagonal, horizontal and vertical center lines. Stitch on either side of the diagonal lines. Then cut along all of the markings. Repeat with 6 sets of squares.

**36** Press all of the half square triangles open.

Make 48

**37** Join 2 of the pieces made in the previous step and one of Unit V.

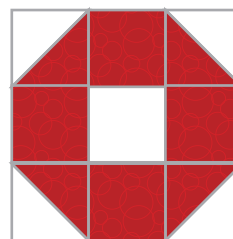

Make 24

**38** Join 2 of Unit V and one of Unit W.

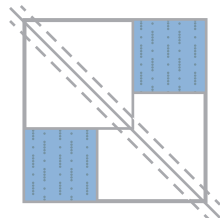

Make 12

**39** Join 2 the pieces made in steps 37 and one of the pieces made in step 38

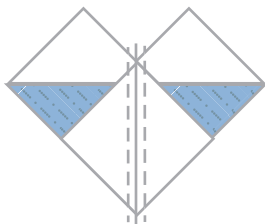

Make 12

**40** Start making 4-at-a-time flying geese by placing 2 of Unit X in the diagonal corners of Unit Y. Mark the centers diagonally, stitch on either side of the diagonal, then cut along the marking.

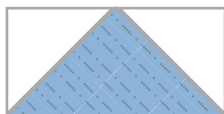

Repeat 12 times

**41** Press your seams, then place another Unit X in the corner. Mark the center diagonally, stitch on either side of the diagonal, then cut along the marking.

Repeat 24 times

**42** Press the seams to make the flying geese.

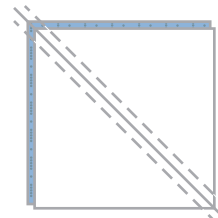

Make 48

**43** Sew 2 of the pieces made in the previous step together.

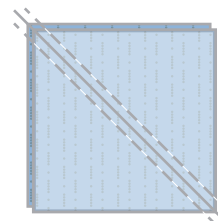

Make 24

**44** Use the 3 color-hour-glass method by placing Unit X and Unit Z right sides together. Mark the center diagonally, stitch on either side of the diagonal, and cut along the marking.

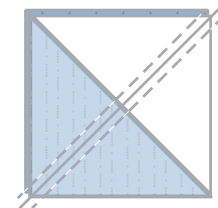

Repeat 6 times

**45** Place 2 of Unit X right sides together. Mark the center diagonally, stitch on either side of the diagonal, and cut along the marking.

Repeat 6 times

**46** Place the pieces made in steps 44 and 45 right sides together with the diagonal lines aligned in the same direction. Mark the center diagonally perpendicular to the seam, stitch on either side of the diagonal, and cut along the marking.

Repeat 12 times

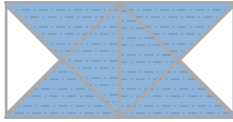

**47** Press your seams.

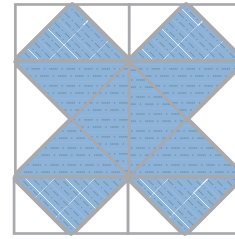

Make 24

**48** Join 2 of the pieces made in the previous step.

Make 12

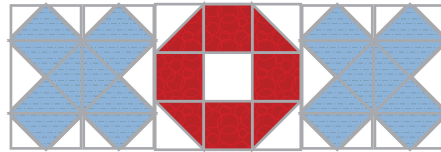

**49** Join 2 of the pieces made in step 43 and a piece made in step 48.

Make 12

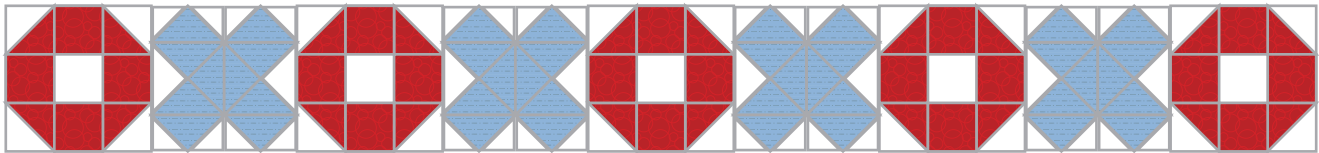

---

**50** Join a piece made in step 39 and 2 of the pieces made in step 49.

Make 2

**51** Join 5 of the pieces made in step 39 and 4 of the pieces made in step 49.

Make 2

52 Assemble the pieces made in steps 34, 50 and 51. Congratulations on your finished quilt!
