

Making Memory Quilts

Ask questions about experiences to get key memories they want to focus on. These could be places they have been, awards, or family memories.

Using Clothing

Uniforms or ties to embellish are a great way to incorporate memories.

Make a mood collection of ideas and colors.

Make all the blocks the same size if you can. Add borders to make them the same size.

Using QR codes:

You don't have to be literal. Think outside the box and add a touch of your flare to the quilt.
