

Heartly-Quinn

Materials

- ½ yard each of 6 solid colors that make a gradient.
- 1 yard of white fabric
- 2 yards of backing fabric
- 2 yard batting

Notes

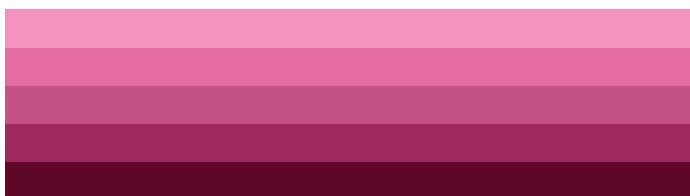

- Finished size: 45" x 45"
- WOF=width of fabric
- Use a ¼" seam allowance

Cut Fabric for Hearts

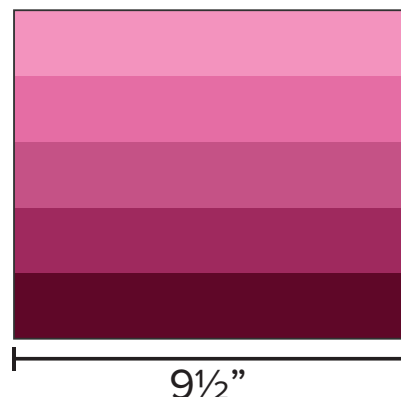

- All solid color fabrics except the lightest
4 strips 2"x WOF
- Lightest solid color fabric
32 rectangles 2"x 5"
- Darkest solid color fabric
4 squares 5"
- White fabric
32 squares 5"
64 squares 2"

Piece the Heart Blocks

- Start by sewing the strips together from light to dark.

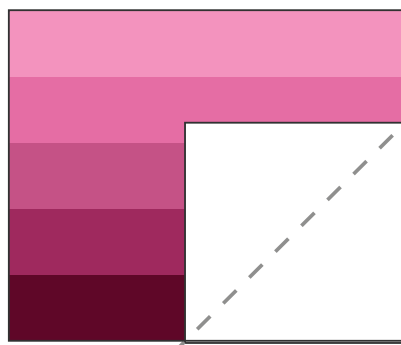

- Cut the strips into 16 sections each with a width of 9½".

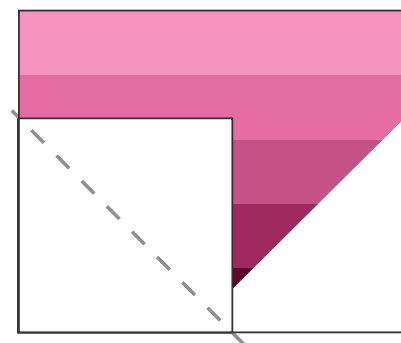

Make 16

- Finger press a 5" square along the diagonal and align an uncreased corner with the corner of the dark end of a strip block. Sew along the diagonal crease, cut off the excess and press open. Make 16.

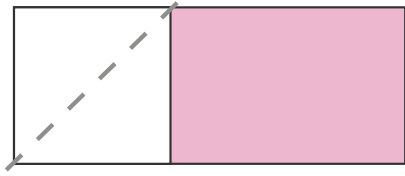

Make 16

- Repeat the previous step in the opposite corner.

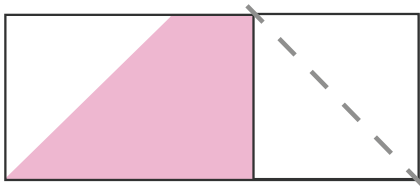

Make 16

- For the top of the heart, finger press a 2" square along the diagonal and align an uncreased corner with a corner of a 2"x 5" rectangle. Sew along the diagonal crease, cut off the excess and press open. Make 32.

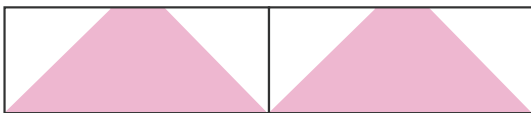

Make 32

- Repeat the previous step in the opposite corner.

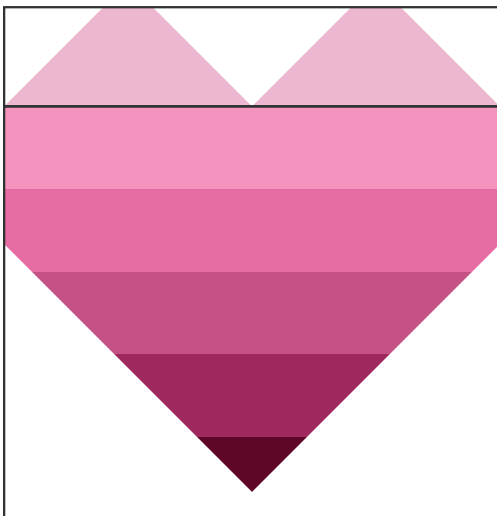

Make 32

- Sew 2 of the previous units together to finish the tops of the hearts.

Make 16

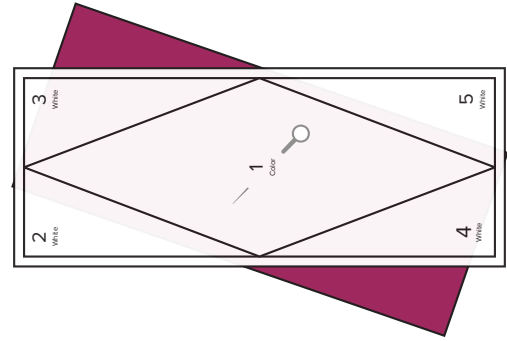

- Sew the top of the heart to the bottom.

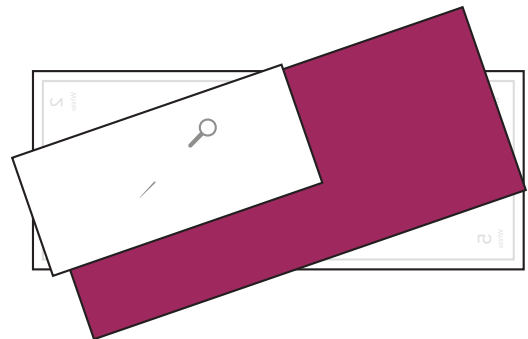

Make 16

Paper Pieced Diamonds

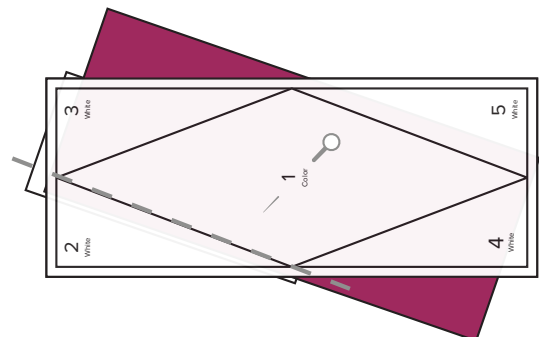

- Print the template on pages 5 and 6, cut around the edges and tape together.
- Center a piece of a solid color fabric large enough to cover area 1 with seam allowance. Pin in place.

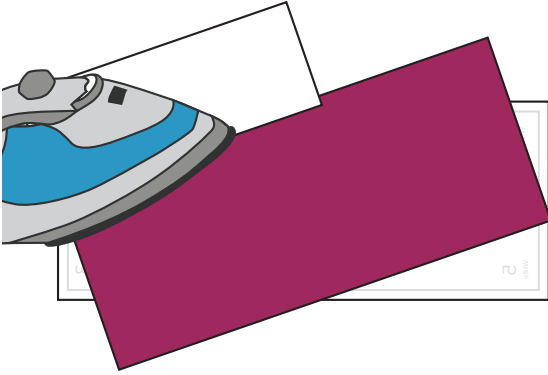

- Flip to the fabric side. Position a piece of white fabric large enough to cover section 2 and seam allowance so that it extends $\frac{1}{4}$ " into section 2. Pin in place.

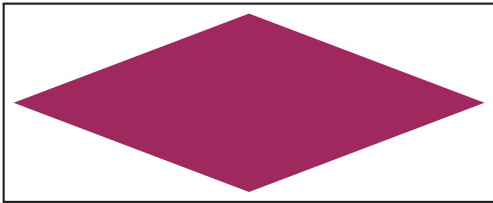

- Flip to the paper side. Sew through the paper and layers of fabric along the seam line.

- Flip to the fabric side and press the seam open.

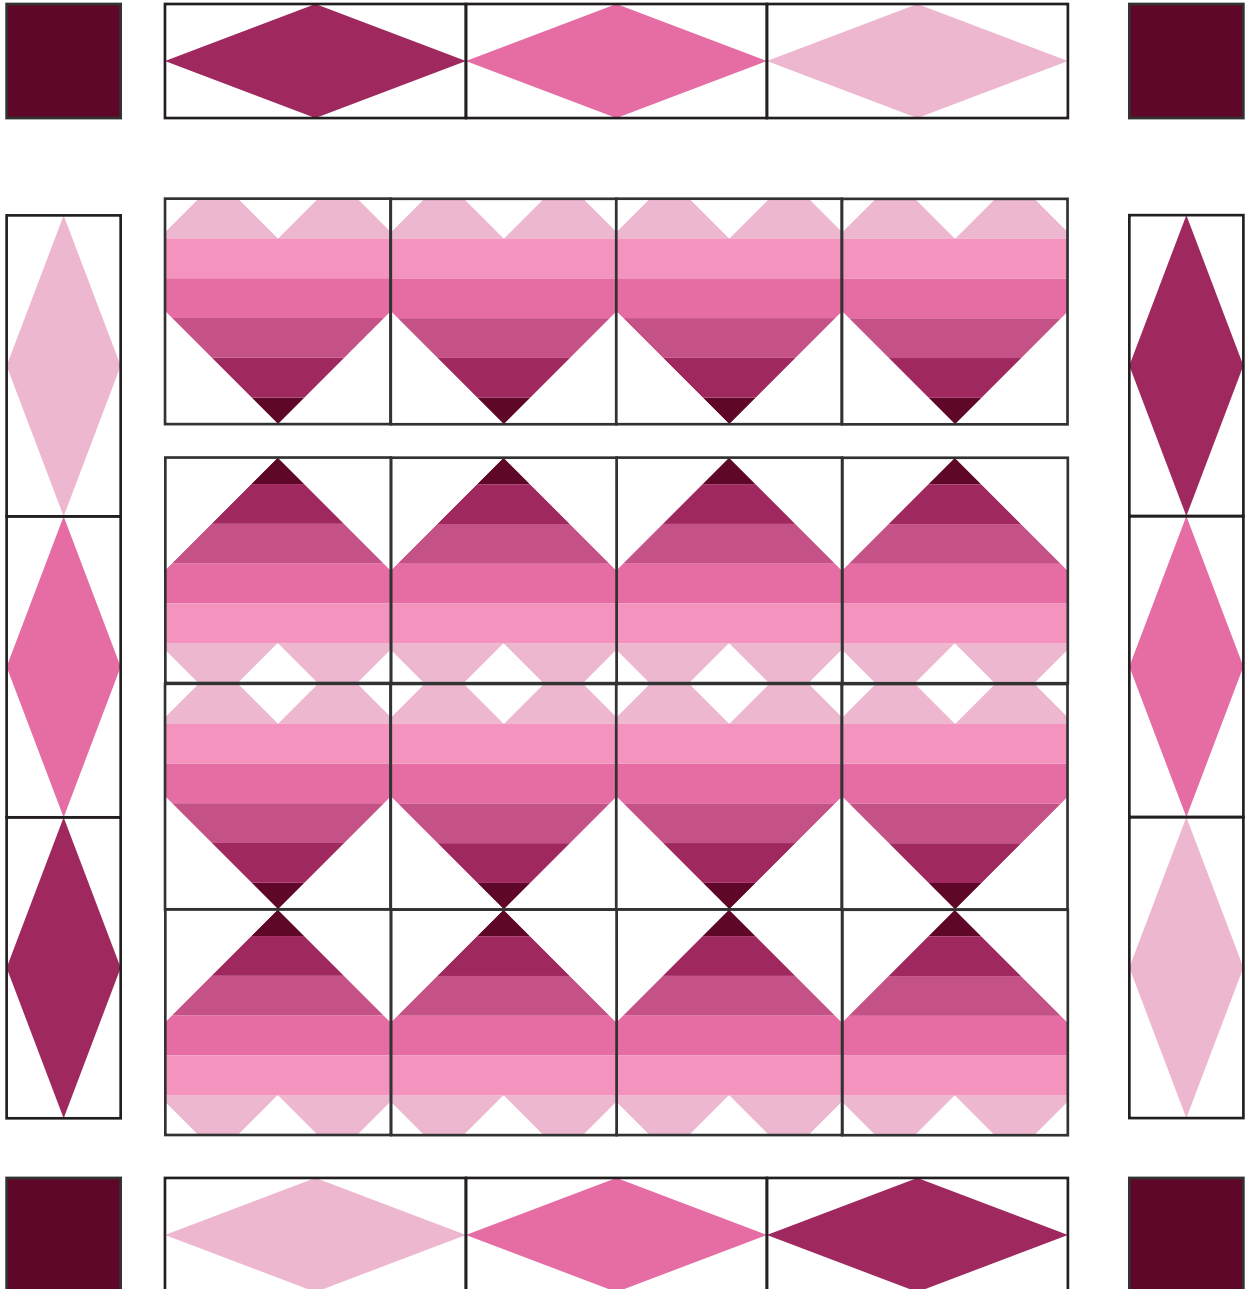

- Repeat paper piecing process for all of the sections. Then trim off all your excess fabric. Make 4 diamonds using one color, 4 diamonds using another solid color, and 4 diamonds using a third solid color to make 12 diamonds total.

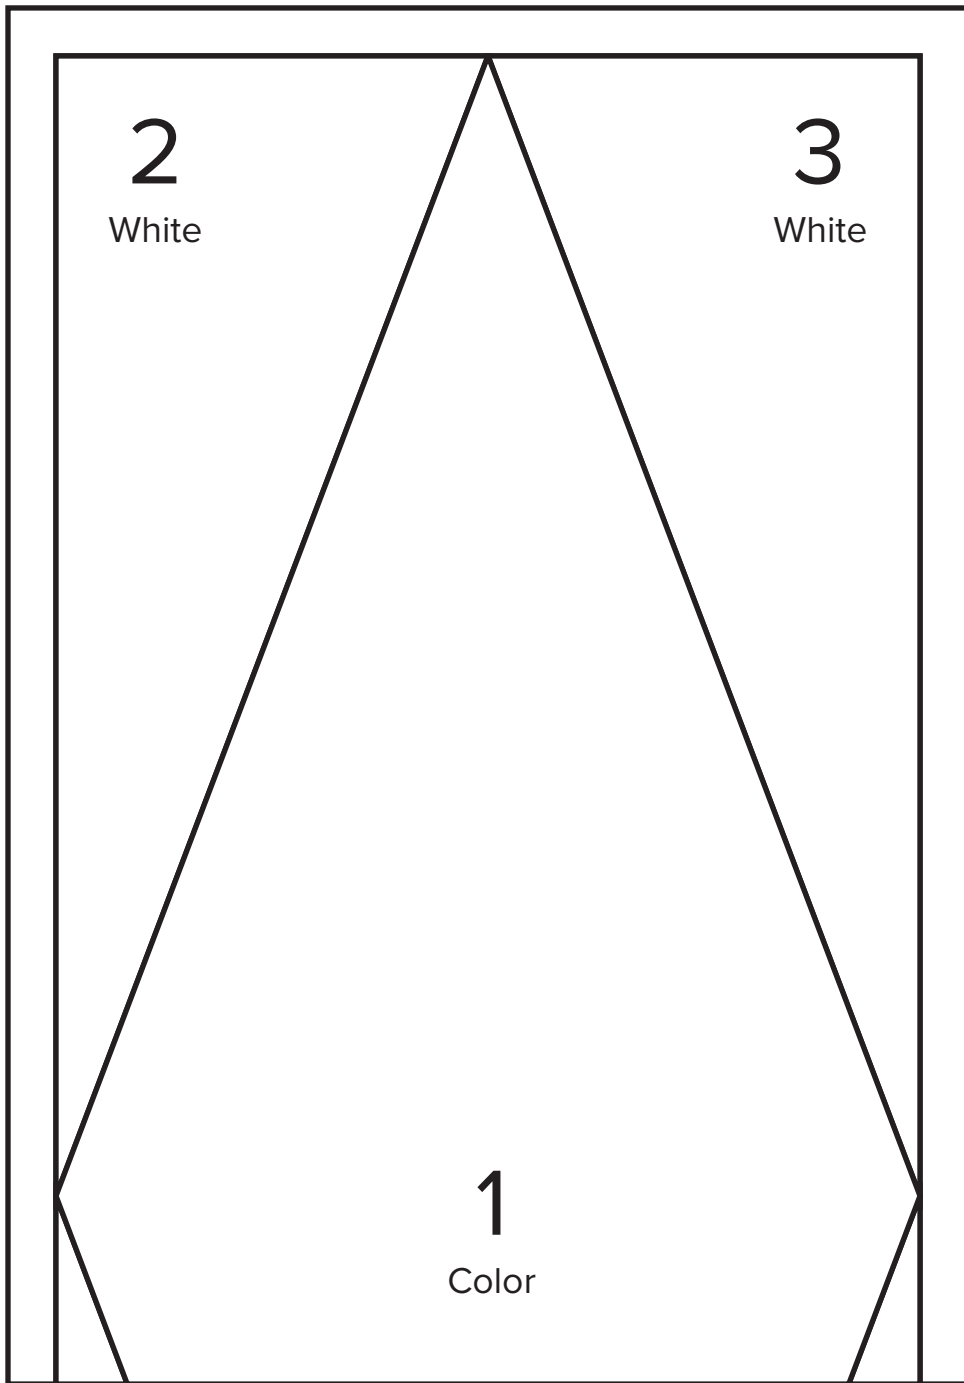

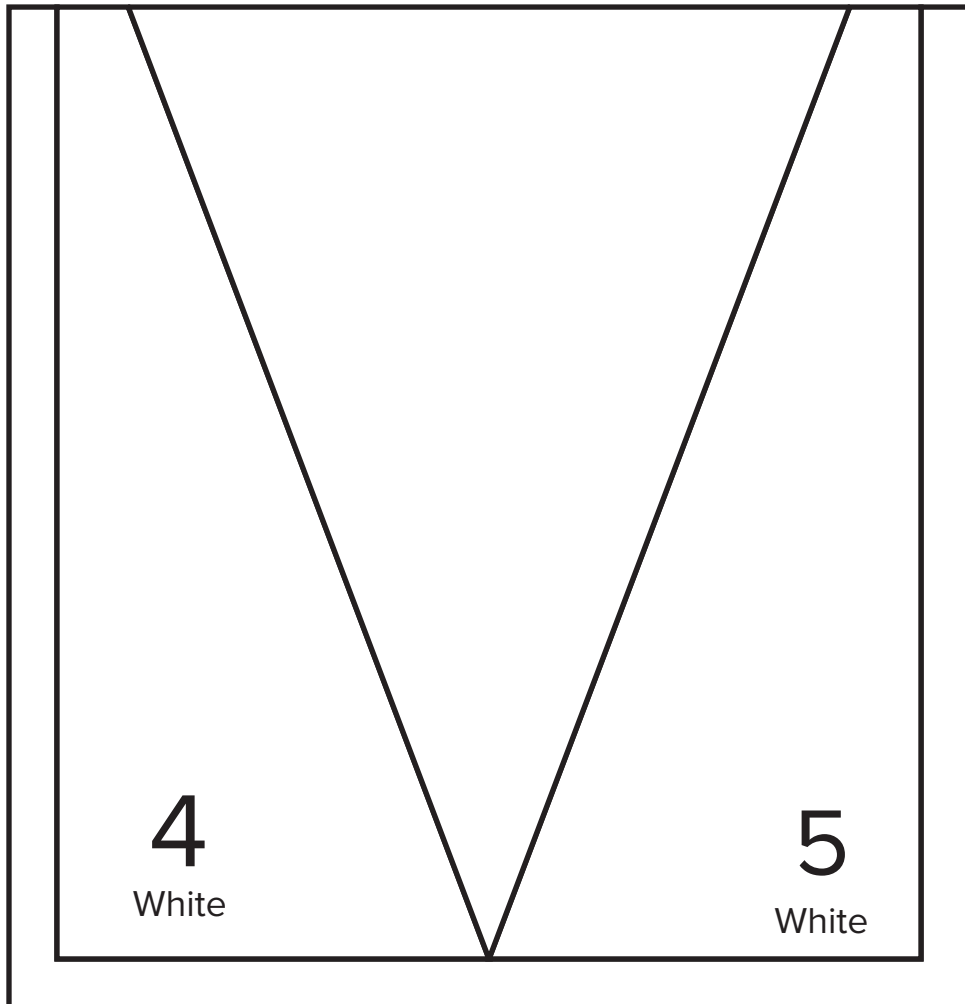

Make 12

- Assemble your quilt according to the assembly diagram on the next page.

Assembly Diagram

Optional:

Instead of paper piecing you can use these alternative templates.

Print the templates and cut along the outside edges.

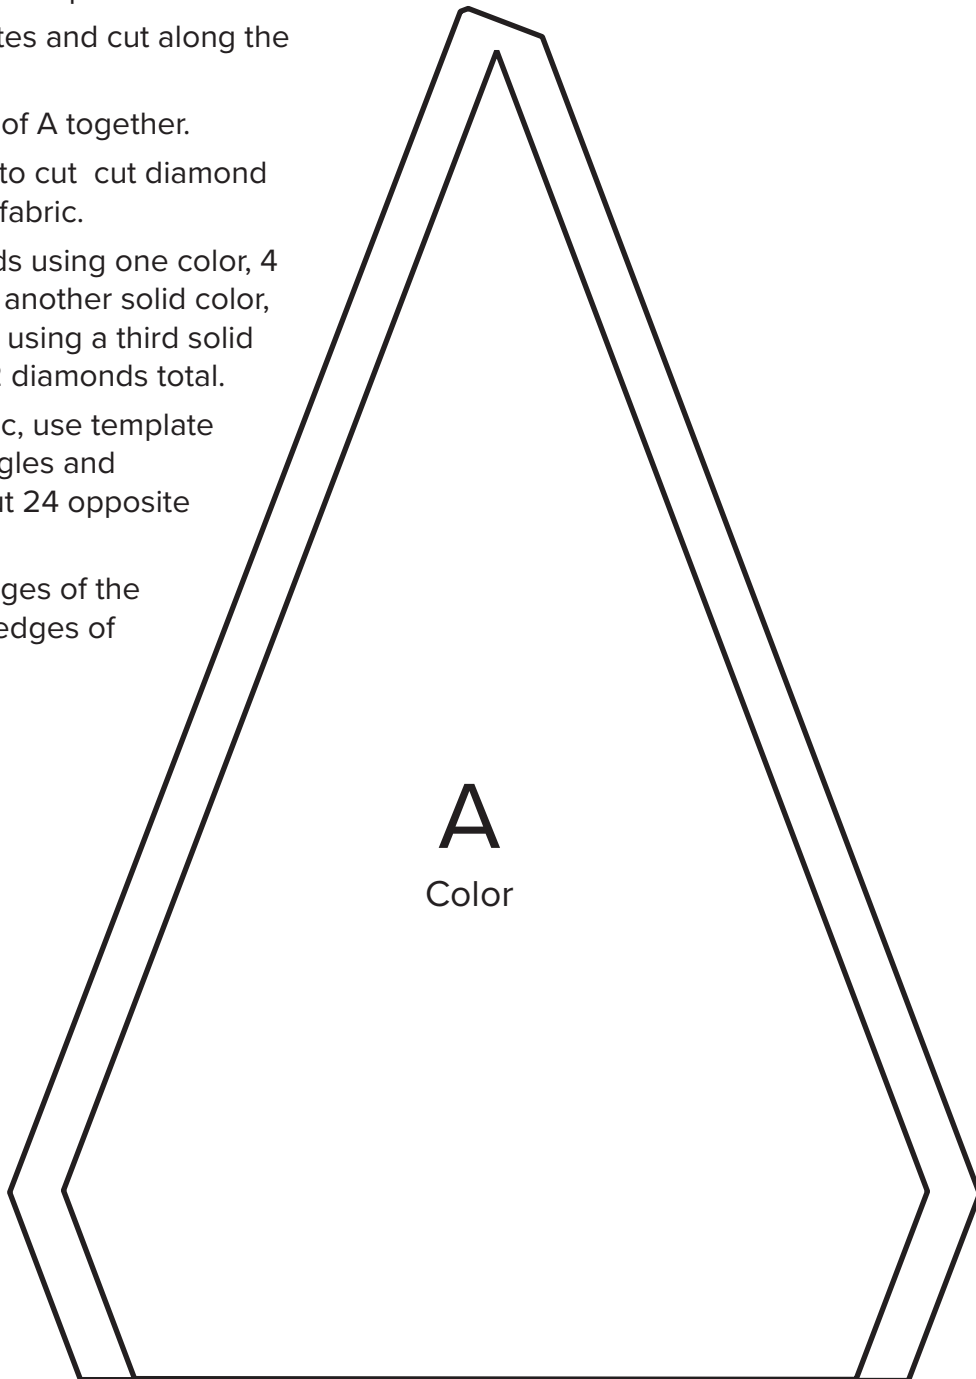

Tape both parts of A together.

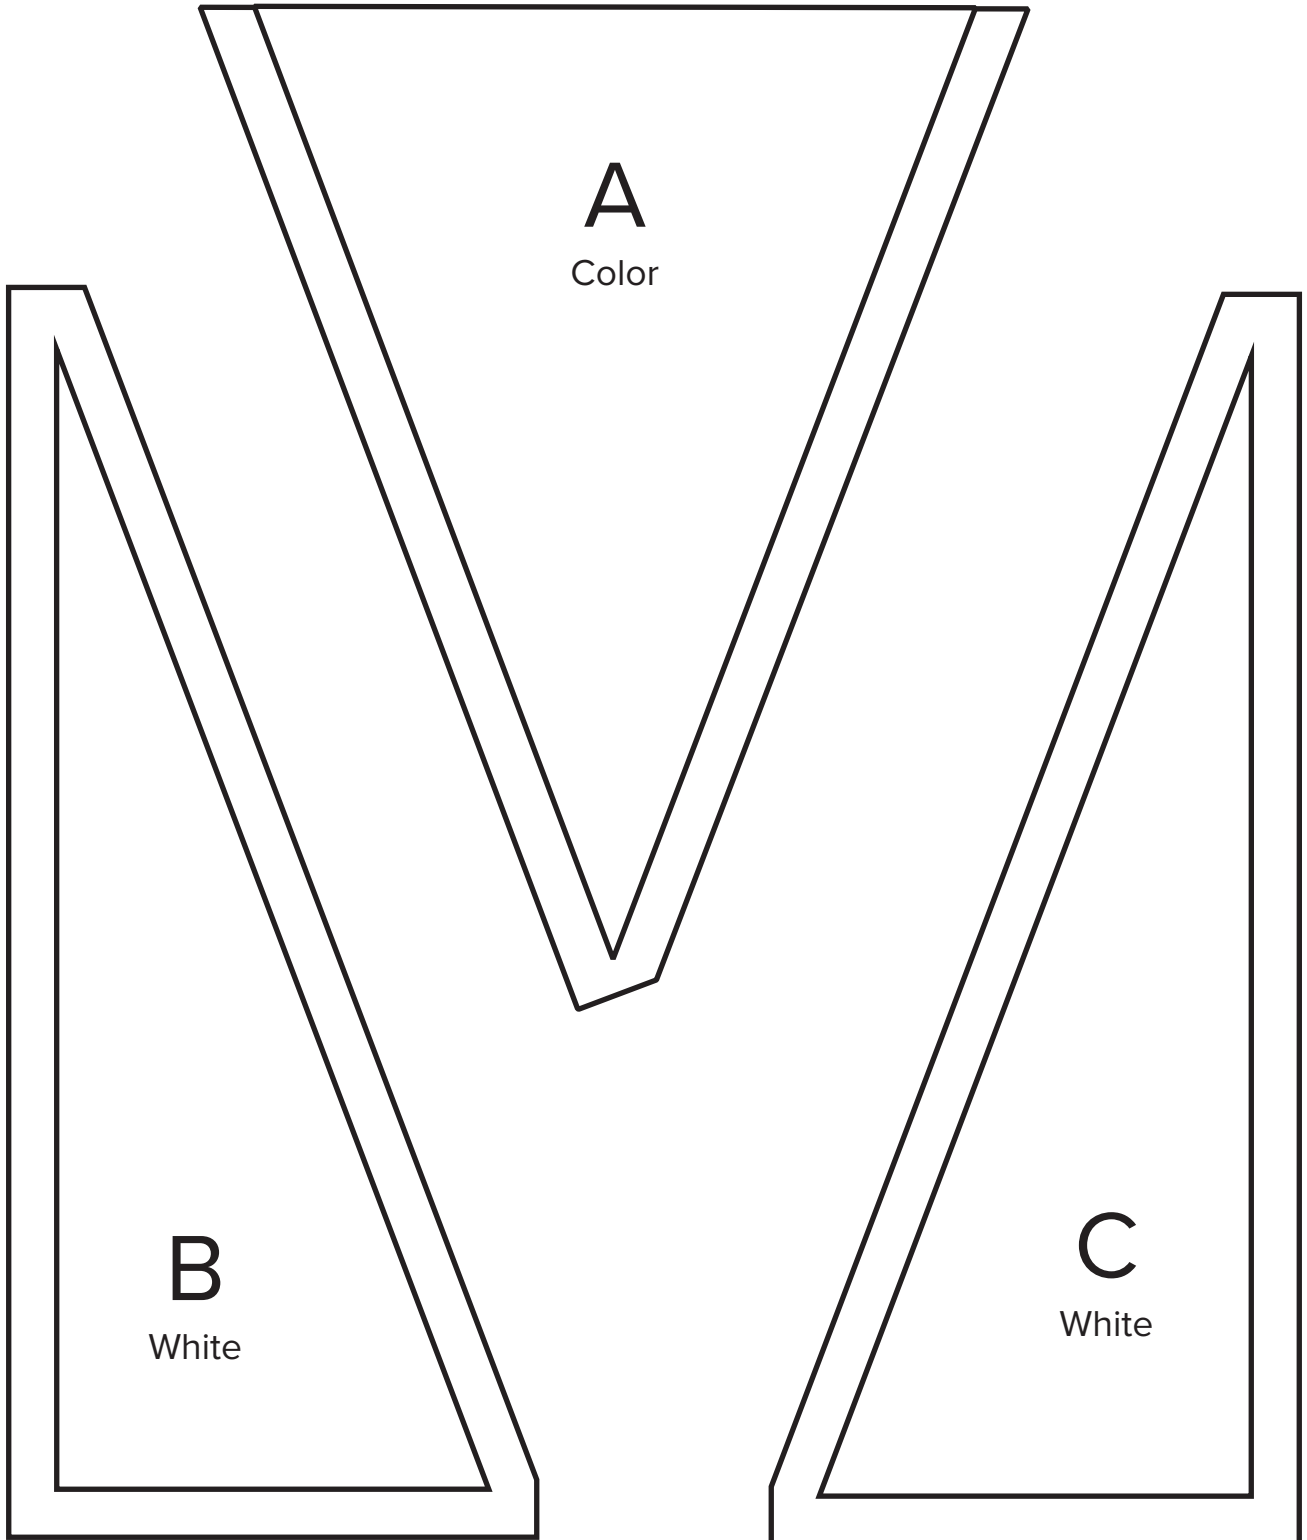

Use template A to cut cut diamond from solid color fabric.

Make 4 diamonds using one color, 4 diamonds using another solid color, and 4 diamonds using a third solid color to make 12 diamonds total.

From white fabric, use template B to cut 24 triangles and template C to cut 24 opposite triangles.

Join the long edges of the triangles to the edges of the diamond.
