

## Jerome the Gnome on the Roam

This sweet little gnome is on the roam  
Looking for a loving home  
He wants to share his love and big heart  
Your home was chosen as a place to start  
Please invite him in for laughs and cheer  
He will be a great friend throughout the new year  
He'll watch over all both day and night  
Keeping everyone warm, safe, happy, and bright  
Thank you new family for opening your door  
Together you'll bring others I'm sure

*Joy, Peace, Happiness  
and so much more!*

- WOF=width of fabric
- Use a ¼" seam allowance

## Strip Piece Body

- 1 Attach your backing and batting to your frame. Then strip piece the fabric for the hat, striped shirt and plaid pants onto your batting.

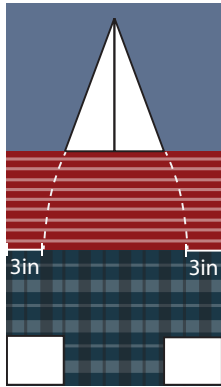

- 2 Cut your fabric into 2 pieces 17" wide.

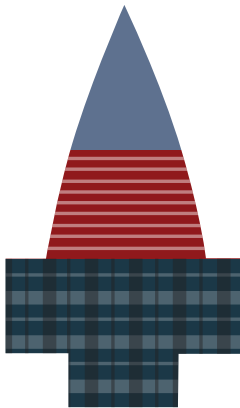

17" wide - Make 2

- 3 Cut both parts of the Hat template and tape or glue together. Cut the 4¾"x 4" Cutout template.

- 4 Trace the Hat template in the hat area. Measure 3" from either side in striped shirt area at the bottom. Draw a line from the measurement to the edge of the marking for the hat. Use the 4 $\frac{3}{4}$ "x 4" Cutout template to mark either side of the bottom of the plaid pants fabric.

- 5 Cut along your markings and repeat with the other strip piece.

Make 2

- 6 Use the Hand template to cut 2 pieces from black fabric. Join the hands to the 10"x 14" rectangle for the arms.

Make 2

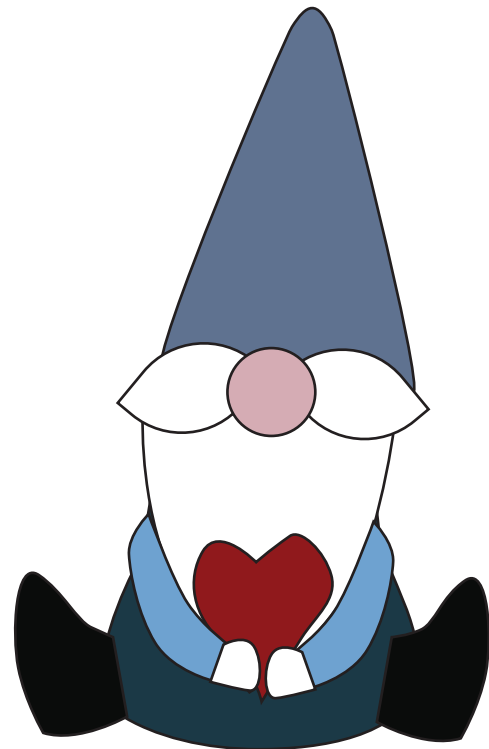

- 7 Fold in half and stitch right sides together. Turn inside out and stuff.

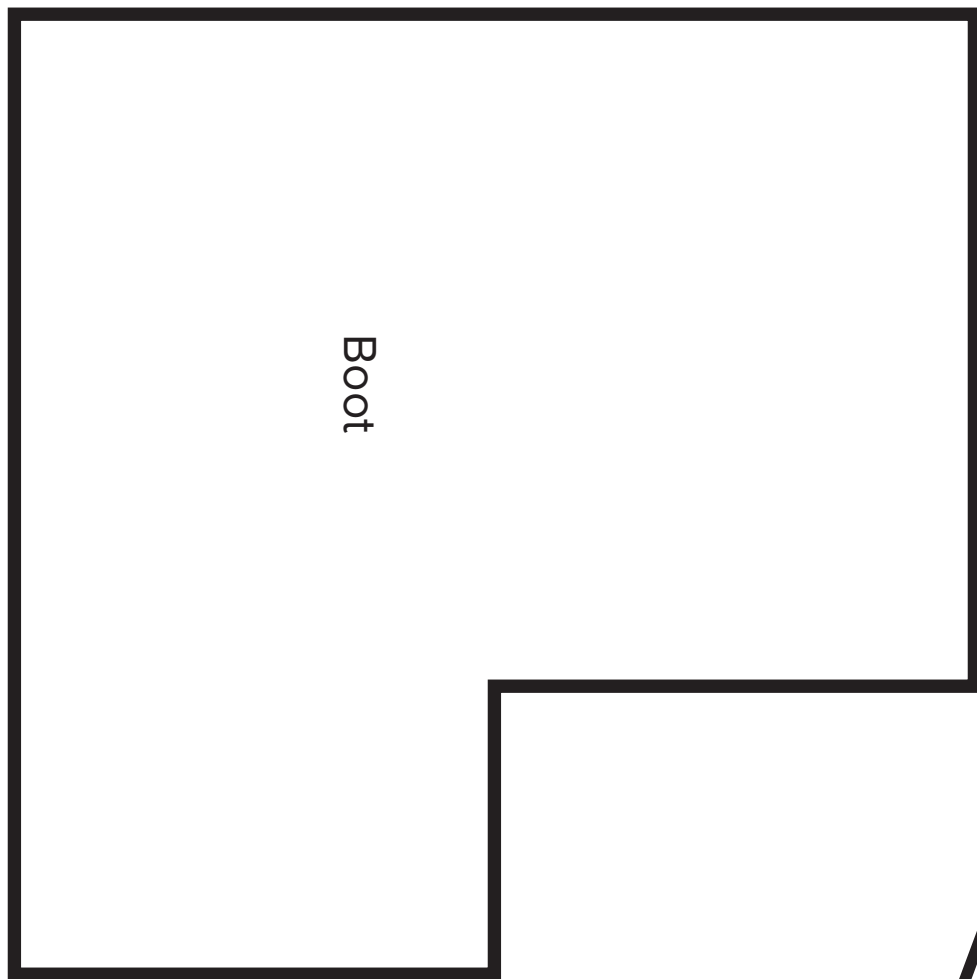

- 8 Use the Boots template to cut 4 pieces from black.

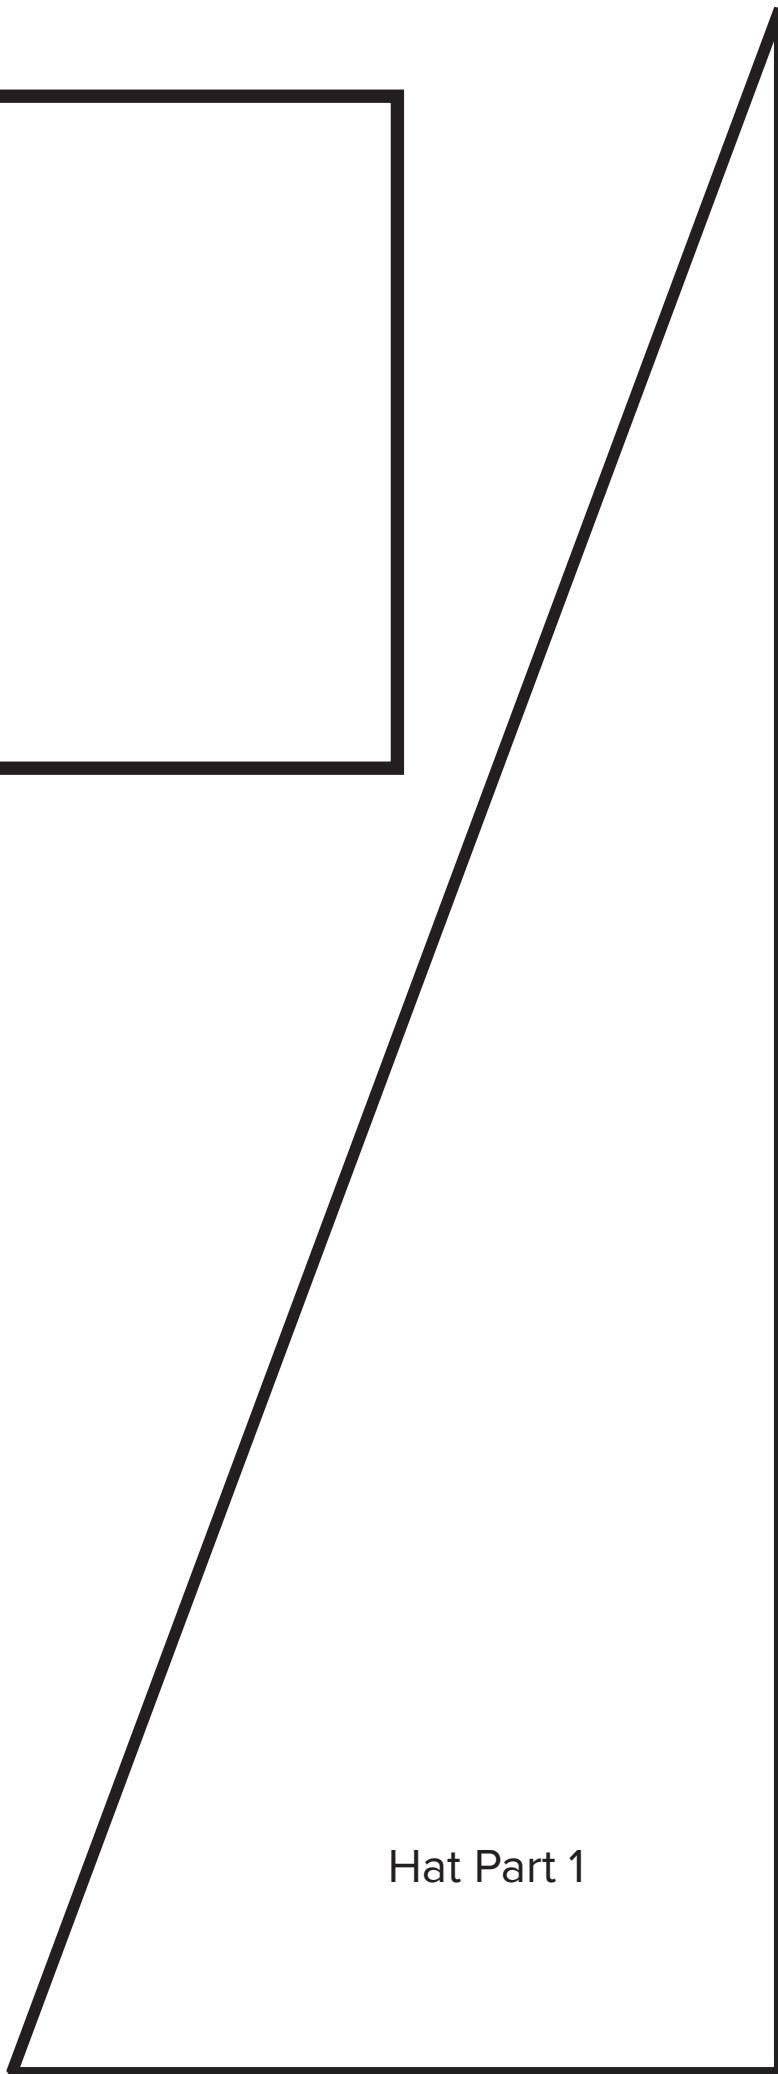

Make 4

- 9 Stitch right sides together. Turn inside out and stuff.
- 10 Stitch the 2 body pieces together with the arms and boots pinned inside, leaving an opening for stuffing. Turn inside out and stuff and stitch close.
- 11 Use templates to cut 2 each of the nose, mustache, heart, and beard. For each shape join right sides together, cut an opening, turn inside out and stuff. Then hand stitch the pieces onto the body and stitch the hands to the body at the center.
